IT expertise that saves you time and money

Don't worry, be happy...

ORACLE

FUJITSU

THE ROYAL BRITISH
LEGION

**... when your I.T. is covered by an
extended maintenance warranty**

Original warranties due to expire? Systems out of cover completely?? Facing complex and inflated renewals???

Not a problem.

Protect your business, extend cover and save £££!

Enjoy peace of mind with all your critical I.T. assets covered! Choose from original manufacturer packages or our outstanding service products with **savings of up to 40%!**

Extended maintenance warranty options matched to your needs. **Choose...**

• **Minimal downtime**

Premium SLA's up to 24x7x365 with a 4hr call to fix

• **Simple asset management**

Unify all your systems under a single cover package, with a single renewal date and fee - almost every I.T. manufacturer supported through years 4,5,6,7 & beyond. Cover from the date you choose, so no need to pay for what you haven't used!

• **Expect the best**

Fully qualified engineers with access to original parts

• **Responsive**

Service desk utilising UK service centre during office hours

• **On-hand**

Technical support team / self-repair support

• **Group cover**

Nationwide UK, Northern Ireland, Ireland, North America, Europe and International countries* are supported (*subject to location and technology type)

• **Data security**

Where data security policies are in place, we can apply disk retention to the maintenance agreements preventing data from leaving a site

• **Fair!**

No reinstatement or arrangement fee – no backdating to end of the original contract – Let's go!

**THOUSANDS OF BUSINESSES TRUST UPGRADE OPTIONS FOR I.T.
I.T. SALES, SOLUTIONS & SERVICES FOR THE BUSINESS AND PUBLIC SECTOR.
YOUR NETWORK DEVELOPED YOUR WAY!**
